The Rogue Principles

Where the performing arts meet the social dance floor

◆ **Rogue Body, Bond, Beyond**

Ground in yourself, listen to your partner, expand into the space

◆ **Rogue Legato**

Your center of gravity travels on a continuous, unbroken path

◆ **Rogue Pause, Presence, Pivot**

Stop the movement, find each other, then redirect together

◆ **Rogue Bounce and Roll**

When bodies meet, rebound elastically or redirect

◆ **Rogue Humility**

Surrender your movement when connection is lost

◆ **Rogue Lazy**

Relaxed and lazy, yet in time—a paradox of dance

Your Instructors

Oscar

A performer at the highest levels of theatre with over 20 years on the social dance floor. His Rogue style evolved by bringing stage experience onto the dance floor.

Boadicea & Oscar

An experienced Bachata couple known for their unique connection and musicality. Their style is much sought after at socials.
